Color Graphics Package Ad-VIEW Graphics

Alarm displays should be easy to read and understand. Ad-VIEW Graphics software provides a simplified interface to help facility managers, guard staff, and emergency responders assess alarm situations.

Ad-VIEW Graphics software can be installed on any Windows-based platforms. Utilizing a workgroup environment, multiple users can share access from their own desktop computers.

Ad-VIEW Graphics software is easy to install on most readily available PC's, laptop's, flat-panel and touch screen computers. Basic system requirements:

- Windows-based environment
- Minimum 2GB RAM
- Minimum 1 GB hard drive
- RS232 interface port
- TCP/IP serial server
- XGA or WXGA video
- 17" or 19" monitor
