**WooCommerce Product Attachment**

**Attachments**  
 Enhance your customer experience of product pages with downloadable files, such as technical descriptions, certificates, and licenses, user guides, and manuals, etc. A plugin will help you to attach/ upload any kind of files (doc, jpg, videos, pdf) for a customer orders.  
 Attachments can be downloadable/viewable on the Order details and/or Product pages. This will help customers to get more details about products they purchase.
