ECC-RM Features and Benefits

- External remote console that provides ALL CALL paging broadcasts over the speaker zones of the ECC-50/100(E) primary operating console.
- Modular design for maximum system flexibility and easy expansion
- Supports both Class A (Style Z) and Class B (Style Y) wiring.
- A maximum of eight ECC-RM's can be connected to an ECC-50/100(E) primary operating console.
- Built-in microphone with push-to-talk feature that can be used for ALL CALL paging.
- Sturdy cabinet design with a keyed or an optional thumb lock to prevent unauthorized access.
